

Laibach Merlot 1997

A beautiful intense ruby red colour. It has a dense and complex nose filled with cassis and red berry aromas with spicy vanilla flavours. The wine has a good weight in the mouth and is very complex with a soft, round finish.

in the cellar : The perfect berries were picked at optimum ripeness, gently crushed and destemed, without damaging the berries and its pips, to protect all the fruit flavours. Controlled fermentation in stainless steel was applied to contribute even more to the above. After MLF in stainless steel, it was filled into 50% new French oak and 50% used French oak for a period of 12 months. A rough filtration was given just before bottling.
