

Upland Grappa

Our Grappa is made in the typical Italian style; from the humble origins of the leftover skins and pips of full ripe grapes comes a spirit of great and distinctive character. It explodes with flavour in the glass. Its intensely perfumed nose is balanced by a rich, raisiny complexity on the palate, followed by a lingering aftertaste of nutty grassiness.

It is best enjoyed neat as an aperitif, or as a digestive with coffee.

variety : Chenin Blanc | Chenin Blanc, Cape Riesling

winery : Upland Organic Estate

winemaker :

wine of origin : Wellington

analysis :
