

Nederburg Duet 2002

A blend of Pinot Noir and Cabernet Sauvignon Nederburg Duet hits the right note with those seeking a young, medium-bodied "ready to drink" red wine with the option to mature to greater benefit. Just the right balance between wood, fruit and tannins add to the wine's appeal. Amongst others, this was achieved by leaving 30% of the wine in large oak vats for nine months to mature to perfection. The result is an eminently drinkable red wine that has a rewardingly complex flavour despite its lively freshness.

Enjoy with a cold buffet, spicy but not extra hot dishes or pasta. Or be different and drink chilled with a summer braai!
