

Warwick Cabernet Sauvignon 1989

Colour: Slightly shaded, youch of lightening to Tawny at the meniscus, indicating that the wine is reaching a stage leading to its maturity. Nose: Ripe, slightly fruity but with the underlying aromas typical of Cabernet Sauvignon. Appearance: Bright, plenty of trails down the side of the glass. Legs in French term-indicative of quality. Taste: Good balance of tannin and acidity- the tannin will soften gradually. The wine is at present firm, slightly reserved. A fundi might say it possesses the touch of austerity typical of quality cabernet.

variety : Cabernet Sauvignon | Cabernet Sauvignon

winery : Warwick Wine Estate

winemaker : Norma Ratcliffe

wine of origin :

analysis : alc : 12.14 % vol rs : 2.2 g/l pH : 3.6 ta : 6.8 g/l
