

## Warwick Cabernet Sauvignon 1997

Fairly hard but classic cigarbox tannins. Lots of ripe new clone fruit; plums and blackberries; coffe tinged. Requires cellar maturation to develop and soften acid, fruit, tannin and alcohol balance. A keeper!

**variety** : Cabernet Sauvignon | Cabernet Sauvignon

**winery** : Warwick Wine Estate

**winemaker** : Norma Ratcliffe

**wine of origin** :

**analysis**: alc : 13.0 % vol    rs : 1.7 g/l    pH : 3.76    ta : 6.27 g/l
