type : Red **style** : Dry **body** : Full **taste** : Fruity **wooded**

pack : Bottle

about the harvest: The grapes are from selected vineyards throughout the valley. This enables the winemaker to produce wine with exceptional flavours and drinkability.

in the cellar : Grapes are fermented on the skins in stainless steel tanks. Yeast strains are selected to enhance the natural flavours of the grapes. The wine is pumped over every 4 hours. After pressing the wine went through malolactic fermentation. Wood chips are added for more complexity.
